

Fair Notice of Risk/Threat Assessment

Our School District believes in creating safe and caring environments for students and staff. Any incident where a student engages in behaviour which threatens or appears to threaten the safety of others will be investigated. Administrators can implement a Risk Assessment for behaviours that are worrisome including writing or drawings with violent themes; references to or involvement in violent activity at school; or an increased interest in activities that are deemed as dangerous to the safety of others.

A Threat Assessment is implemented when a student threatens to kill or injure others, brings a weapon to school, or makes direct verbal or written violent threats to others. The Threat/Risk Assessment regulations are outlined in Policy 504.9 in the School District Policy Handbook available at www.new.lethsd.ab.ca
