

Green Shirt Day

The first annual Green Shirt Day is on April 7th, 2019. Our school, along with the rest of School District #51, will be recognizing Green Shirt Day on Monday, April 8th.

Green Shirt Day is being presented by Canadian Blood Services, in partnership with Canada's organ and tissue donation community and the Canadian Transplant Association, a non-profit, community resource partner for post-transplant recipients, donors, and donor families. The day is also in memoriam of Logan Boulet and all the victims and survivors of the tragic Humboldt Broncos bus crash. The day is to raise awareness around organ donation and encourage donors to have important conversations with their loved ones. Please follow this link for more information: <http://greenshirtday.ca>

Green Day shirts are available for purchase (\$7) on School Cash Online (under the 'Lethbridge School District No.' tab) however, any green shirt will suffice.

Thanks for your support!

Green Shirt Day
