2018-2019 Edition

WELCOME TO WILSON MIDDLE SCHOOL THE WILSON WAY

***Philosophy of Education – “THE WILSON WAY”
(established November 2012)***

The Wilson Way was established in 2012. It is a motto to remind us that our “Character Counts”. Our goal is to ensure that every student, staff member, volunteer, and community member feels safe and respected. We reach this goal in three ways. First of all, we teach students specific words (character concepts) and how to relate to these ideas in real life situations. We also teach character by having students take ownership of their school, and their school experience. And finally, we teach character through caring about and supporting academic success. It is our goal that every student feels academically challenged and able to succeed.

Leadership

At Wilson, we promote the development of leadership through our student council, the Wilson Leadership Program, and through our exploratory options. Student leadership allows students to take ownership in their school. It also allows them to take part in service learning initiatives such as working at the soup kitchen, visiting senior citizens, and other character building opportunities.

Literacy/Numeracy

As a main focus of our academic programming, we are committed to improving reading skills and developing a passion for literature in all of our students. We firmly believe that the students need to understand the basic concepts of mathematical processes, as well as their practical applications. We know that literacy and numeracy are important components for student success and are excited to offer all of our students the chance to develop their skills, and a love of reading and basic mathematical processes outside the traditional language arts and math programs.

Technology/Digital Citizenship

State of the art technology is at the forefront of instruction at Wilson. Two computer labs house multi-media classes to engage students with professional grade image and video editing software including Adobe Photoshop and Adobe Premier. Over 120 laptops are at students’ fingertips, along with dozens of digital cameras and flip-cams. Wilson also encourages appropriate use of personal handheld wireless devices to enrich classroom activities. Beyond this use, Wilson Middle School is committed to educating our students on their rights and responsibilities within the realm of digital citizenship, ensuring that the use of technology remains safe, respectful and educational at all times.

WILSON MIDDLE SCHOOL MISSION STATEMENT

Mission Statement: All students can achieve individual academic and social success. Positive character development supports all areas of student growth. These goals will help students, staff and parents live “The Wilson Way”.

Student Goals:

- **Develop responsibility for academic success.**
 - Example: completing assignments on time, to the best of their ability
- **Become positive citizens through the 7 Pillars of Character Development** (Responsibility, Respect, Perseverance, Honesty & Trustworthiness, Compassion, Fairness and Citizenship)

Staff Goals:

- **Develop learning programs to meet the variety of student needs.**
- **Provide opportunities for students to grow in the Pillars of Character Development.**

Parent Goals:

- **Ensure that your student comes to school daily, prepared to learn.**
- **Stay actively informed regarding student’s progress.**

SCHOOL FEES 2018-2019

The following fees are charged by WMS in accordance with the provisions of Lethbridge School District No. 51 Policy, and should be paid by all students at the time of registration or on the first day of school. Please pay online at <https://lethbridge.schoolcashonline.com>.

ALL STUDENTS MUST PAY THE FOLLOWING FEES:

1. Combination lock service Fee	\$7.00
2. Field Trips Fee	\$30.00
3. Library Fees	\$5.00
4. Student ID	\$5.00
5. Band fees (see Mr. Conrad)	
**YEARBOOK IS OPTIONAL	\$35.00 each

NOTE: A variable fee will be assessed for textbook damage according to guidelines set by the school

STUDENT DRESS CODE

“The Wilson Way” to Look Great!

Wilson staff believes that coming to middle school is where students begin to prepare for the working world. Part of that preparation is dressing appropriately for a job. Follow these guidelines to look your best at school:

- “Business casual” is encouraged.
- If students continually fail to wear “business casual” clothing, appropriate actions will be taken by teachers and administrators.

Here are some descriptions for “business casual” attire:

- Slogans on all clothing should be positive and appropriate for the school setting.
- Tops and shirts need to cover the waist band of pants, skirts or shorts. They need to cover the midriff and have a modest, well-fitting neckline. Bra straps need to be covered by something wider than spaghetti straps. Tank tops with spaghetti straps are to be covered with a sweater or shirt.
- Shorts and skirts are to be mid-thigh in length.
- Hats and hoods are to be worn outside of the school. Head covers may be worn for medical or religious reasons.
- Students need to wear shoes or sandals on school property.

“NEW” CELL PHONES and ELECTRONIC DEVICES

Wilson staff knows that cell phones are a part of everyday life for many students. To ensure they are used wisely, follow these guidelines:

- There will be cell phone and **technology free zones**. **We are asking that all cell phones, ipods, DS, and others electronic devices be kept in student lockers except** for nutrition break, lunch and homeroom at the end of the day.
- Each teacher will discuss their cell phone and electronic device policy with the students. Keep in mind that some classes will not be suitable for your devices and your classroom teacher will notify you.
- If students continually fail to use their cell phones and devices respectfully, appropriate actions will be taken by teachers and administrators.

ATTENDANCE – IMPORTANT INFORMATION

Block by block student attendance is mandatory. Student attendance will be taken in the first 5 – 10 minutes of each class period. When a student arrives late, he or she must check in at the “attendance window” or main office, and will then be provided a “late slip” to get into class. Attendance will be monitored by the office and all attendance is recorded on-line, unless otherwise communicated. A daily list of students who are absent or late will be handed to the grade level administrator.

Any student who is more than 15 minutes late, will phone home to have the late excused. Students who do not have their late excused, will be expected to serve a detention on the next Tuesday or Thursday session. If a student is absent for the day, a parent must phone in to excuse the absence with the office. This information will be recorded as it is received and will show up in Teacher Logic. When homework for a student has been requested through the office/homeroom, each subject teacher will be given (when possible) a day lead time to get it ready.

LEAVING SCHOOL DURING THE SCHOOL DAY

All students leaving the school for any reason during school hours **must** check out at the main office. Students who are leaving for an appointments are required to have a parent send a note, an email or give us a phone call. In case of illness, parents will be contacted and students sent home; if parents cannot be contacted, students must remain at the school. Appropriate consequences will be assigned to students who leave the school without

following the above procedures. Students taking part in scheduled field trips are required to have parental permission if required by District Policy; teachers will contact parents and provide them with all necessary information.

CHANGES TO REGISTRATION DATA

During each school year many students experience changes of address, phone number or name. It is important that the school be informed of such changes so parents can be contacted should an emergency occur, or to follow up on attendance. Please call the main office with any changes.

ADMINISTRATION OF MEDICATION:

Any student requiring medication administered to them during the school day needs to have *Form 504.1.3.1 – Medication/Personal Care Request and Authorization* completed by a parent/guardian and Physician. The form can be requested through the office. Medication will be administered by a staff member at the times indicated on the form.

OFFICE HOURS:

Wilson Middle School office is open Monday – Thursday 7:30 am – 3:45 pm.
Friday 7:30 am – 12:30 pm.

STAFF CONTACTS:

Please contact **Jen Schroeder or Leanna Wegner** for contacts related to:

- Attendance (excusing absences and lates)
- School Cash On Line or Payments
- School Store Orders

For issues related to student concerns, the contacts are broken down into Grade Level Administrators.

- Grade 6 = Jeni Halowski
- Grade 7 = Brad Dersch
- Grade 8 = Dean Hawkins

For counselling and family supports, please contact the following:

- Grade 6 = Juanita Kaminski
- Grade 7 and 8 = **Kevan Bryant**/Danhue Lawrence
- Making Connections/Family Supports = Anne Kish
- FNMI/Student and Family Supports = **Jessica Singer**

Each person can be reached by calling the school phone number (403)329-3144 or by email at:

Jennifer.Schroeder@lethsd.ab.ca
Dean.Hawkins@lethsd.ab.ca
Brad.Dersch@lethsd.ab.ca

Leanna.Wegner@lethsd.ab.ca
Jeni.Halowski@lethsd.ab.ca
Kevan.Bryant@lethsd.ab.ca

Danhue.Lawrence@lethsd.ab.ca
Jessica.Singer@lethsd.ab.ca

anne.kish@lethsd.ab.ca
Juanita.Kaminski@lethsd.ab.ca

STUDENT ASSESSMENT

The calculation of Student Grade Averages for the purpose of Honour Role determination, will be weighted as follows:

- Core Classes = 1.00
- Phys Ed = 0.50
- Options = 0.25

Example:

My child has the following marks:

- LA 80% (x1.0 = 80)
- Math 90% (x1.0=90)
- Science 80% (x1.0 = 80)
- Social 90% (x1.0 = 90)
- Phys Ed 80% (x0.5 = 40)
- Art 80% (x0.25 = 20)
- Drama 60% (x0.25 = 15)
 - Add all points together and divide by 5
 $80 + 90 + 80 + 90 + 40 + 20 + 15 = 415$
 $415/5 = \mathbf{83\% \text{ overall average}}$

POWERSCHOOL

PowerSchool is a progress reporting system for teachers to keep parents/guardians current on their child's academics throughout the school year. Parents simply download the PowerSchool app to their smartphones, get your school and student access code from Leanna in the office and you're ready to go! This system nearly eliminates the need for report cards as progress can be viewed daily!!

STUDENT BEHAVIOR AND DISCIPLINE GUIDELINE

The essential expectation for student behaviour is that students conduct themselves in a mature, responsible manner at all times. Behaviour which infringes on a student's right to learn, or threatens the general welfare of others or the school will not be accepted. In addition, excessive public displays of affection are not appropriate for a school environment.

These expectations for acceptable behaviour apply, not only to normal activities during the school day, but also to co-curricular activities that may take place outside the school or the school day.

The school discipline policy is based on the principle that the home and the school share responsibility for teaching appropriate behaviour. Working together, we can help students develop accountability, responsibility, respect for others, and most important, respect for themselves. Typically, the administrative team will follow the levels of discipline, in order of: detention, in-school suspension, out of school suspension. However, the school reserves the right to move to the appropriate level of discipline as needed/determined by the administrative team. Our goal is to meet students' needs and address their behaviours on an individual basis, recognizing their strengths and using these strengths to build on their capacity. There is no blanket approach that works for all students, and we will take each individual's needs and well-being into account.

In all discipline matters, the principal shall have the final decision. Students, however, will always have the right to be heard and to appeal a decision, first to the principal, and subsequently to the Superintendent of Schools and the Board of Trustees. In accordance with Lethbridge School District #51 Board Policies 500.1, 502.1, 502.2, 502.3, and 502.4. For complete policy details please see the Lethbridge School District No. 51 website at: www.lethsd.ab.ca

FAIR NOTICE OF THREAT/RISK ASSESSMENT

Lethbridge School District No 51 believes in creating safe and caring environments for students and staff. Any incident where a student engages in behaviour which threatens or appears to threaten the safety of others is investigated. Administrators implement a Risk Assessment for behaviours that are worrisome including writing or drawings with violent themes; references to, or involvement in violent activity at, or related to, school; or an increased interest in activities that are deemed as dangerous to the safety of others. A Threat Assessment is implemented when a student threatens to kill or injure others, brings a weapon to school or makes direct verbal or written violent threats to others. The Violence Threat Risk Assessment regulations are outlined in District Policy 502.1 at www.lethsd.ab.ca.

STUDENT SERVICES

COUNSELLING SERVICES

Counsellors have special responsibilities for providing personal, social, academic and career counselling for all students. Students who believe they need guidance beyond what is available from teachers may see a counsellor by talking with any staff member. Their concerns will be forwarded to the counselling team. Besides day-to-day counselling, counsellors meet with students whose achievement is below acceptable standards. In addition, referrals are made to members of the Student Services Department of

Lethbridge School District #51 and other outside agencies when it is deemed necessary to rely upon more specific assistance than what is available in the school. During their final term in grade eight students receive career/scholastic guidance. Considerable attention is paid to programs available at the Chinook High School, Lethbridge Collegiate Institute, Winston Churchill High School, and Victoria Park High School.

Parents are also encouraged to email teachers or phone the school at 403-329-3144 to make inquiries regarding student progress or to request help with a specific problem.

SCHOOL NURSE

A public health nurse is assigned to Wilson Middle School. She is available to provide information and advice on any health related matter to students and parents. She also provides assistance and support to classroom teachers in the Health program. Parents who have specific questions for the nurse can call the Health Unit Office directly. The telephone number is 403-388-6666.

SCHOOL RESOURCE OFFICER

Two Lethbridge Police Service officers are assigned to Wilson Middle School as part of the Assisted Learning Environment Response Team (ALERT). These officers are an essential part of our school environment and often provide counselling and mediation help, as well as help dealing with legal issues.

LOCKS AND LOCKERS

At the time of registration each student is assigned to a locker with a combination lock. This service is provided to all students free of charge on the condition that the school administration reserves the right to search or repossess the locker at any time without notice. Students are cautioned that they should not tell anyone their combination to ensure that no one else can open their locker and also to prevent the lock from being stolen. As an extra precaution, students are advised not to leave valuable articles or money in their lockers; these should be left in the office for safekeeping during the school day. Please note: the school is not liable for theft from lockers and reserves the right to remove any lock from a locker without notice if it is necessary to do so.

Each student is responsible for the care and maintenance of the lock and locker assigned. If the lock is lost or if the lock or locker is damaged by the student, the student must reimburse the school. While damage to lockers is assessed on a case-by-case basis, the usual charge for a lost or broken lock is \$7.00.

Students have a five minute locker break midway through each morning so

they do not have to carry a heavy load of books and other materials with them all day.

SECURITY IN THE LOCKER ROOM

Students are expected to change out for Physical Education. When they do so they should make sure that they **do not leave anything valuable in the locker room** because other classes may use the locker room during their Physical Education period. Students are encouraged to leave all unnecessary valuables at home or in their lockers.

BICYCLES/SCOOTERS

Many students ride their bicycles/scooters to school. For the convenience of students, bike/scooter racks are provided outside of the school building. Since the school cannot accept responsibility for students' bicycles/scooters, it is essential that **bicycles/scooters are stored and locked in the bike/scooter rack at all times.**

FIRE DRILLS/LOCK DOWN DRILLS

At least six fire drills are conducted by the school administration each school year. During a fire drill every person in the school is expected to leave the building. Fire drills are very important exercises in ensuring the safety of our students by providing practice in safely exiting the building. Each teacher will inform all classes of proper evacuation routes and procedures early in the school year. Students will also be informed of where they are to go in the event of an emergency that would prevent them from returning to the school building during inclement weather. Students are expected to remain familiar with these routes and procedures and are expected to behave in an orderly manner during all fire drills. Lock down drill will be conducted twice a year. Each teacher will inform students of the procedures and expectations prior to a drill.

Homeroom System

In an effort to improve communication between the students, the school, and the home, Wilson Middle School operates a "Homeroom System". The homeroom teacher will be the main contact for all communication for their students and parents. This includes providing encouragement, monitoring academic progress and behaviour, and helping with social skills.

Personal contact with students and parents is essential. Communication is a two-way process and parents should be urged to call homeroom teachers with concerns or to pass on information. Parents must be encouraged to assume

appropriate responsibility for their children. Homeroom teachers are strongly encouraged to make introductory phone calls home to each student on or by the middle of September.

Homeroom Teachers

- Maintain records of conference files by the student
- Explain format of conference to student
- Ask student to introduce parent and teacher. Explicitly teach how to introduce the parent to the teacher/teacher to the parent
- Facilitate conference and provide support for student in planning and carrying out conference
- Be sure student comments on his/her strengths

Parents

- Stay current and up-to-date with PowerSchool information. We ask and expect all families to be registered on PowerSchool. See Leanna in the office for instructions on how to do so!!
- Ensure all assignments are complete. Not completing an assignment is not an option.
- Make a strong commitment to come to conference with your youngster.
- Help improve communication between home and school.
- Take an active role in the conference.

SAFE ARRIVAL – ABSENCE REPORTING

Wilson uses the “Safe Arrival” reporting system for parents or guardians to report their child’s absence quickly and conveniently. It’s a substitution for the old system where we asked parents to call the school to excuse their child’s absence. To register, parents go to <https://go.schoolmessenger.ca> and create an account. The Safe Arrival “app” then needs to be downloaded to your smartphone and you’re ready to go! Alternatively, parent/guardians can call the toll free 1-833-309-1247 to report an absence. Please do not call the school directly!

NUTRITION BREAKS & LUNCH CONTRACTS

WMS students break from class once a day during nutrition break. (See attached Bell Schedule). The intention of these breaks is to provide an opportunity for students and staff to eat and drink foods that support good health.

Students will remain at school for lunch. If parents feel their child needs to leave the school at lunch they **must fill out a LUNCH CONTRACT**. If a student is not complying whether at school or off campus, the lunch contract can be

voided by administration. Students will be supervised by teachers and are strongly encouraged to participate in one of the lunch time co-curricular activities or to use the time for quiet study.

Students may bring their own lunch or access our canteen for sandwiches, pizzas and soups, as well as snack items at reasonable prices.

AFTER-SCHOOL ATHLETICS PROGRAMS

WMS is pleased to offer after-school club programs that allows all interested students the opportunity to participate in our five main sports: cross country, volleyball, basketball, badminton, and track and field.

At the beginning of each of these five seasons, students are encouraged to attend "ID camps" that place athletes on teams that most appropriately fit their level of skill. From these ID camps, athletes will be placed in one of three areas: Rep/Senior team; Junior team; or House-League Developmental teams. The Senior-Rep teams play in the LSAA league, and are composed primarily of grade 7's and 8's. The Junior teams play an exhibition schedule with the other city teams, and are composed primarily of grade 6's and 7's. The house-league developmental program is where all other interested athletes will attend to have a mixture of drills and games that will further develop their skills in that respective sport. All students have the opportunity to be placed into one of these three areas.

All of these programs take place after-school, and are run by teachers from WMS. Some of these programs carry an additional cost to the athlete. This money covers the costs of referees, tournament entries, shirts, equipment, uniforms, etc. Once a student has committed to a program, they are expected to attend all team functions for that season.

LUNCH BREAK INTRAMURALS AND CLUBS

Students will be able to participate in a variety of intramural sports and activities during our lunch time activity break. These will range from outdoor activities (i.e. soccer), to indoor activities (i.e. floor hockey). Students compete together with their fellow homeroom peers, versus other homeroom classes. Homerooms will have the opportunity to win prizes and bragging rights based on their efforts.

Students will also have a variety of clubs to attend during activity time if they choose. Some of our clubs include chess, study hall, literacy, etc. These are advertised on announcements and in the newsletter. However, if your homeroom is competing on a given day of the week, students are asked to attend these events as their first priority, and then attend clubs days after that. Our comprehensive clubs list can be found on our school website.

TEXTBOOKS – DAMAGE GUIDELINES

All students are provided with textbooks for their use for the entire year; they are responsible for those looking after those books. Textbooks will be returned to the library in mid-June and will be carefully inspected for damage.

Students with lost and/or damaged textbooks (i.e. pages ripped out, broken spines, lots of graffiti) will be charged for the replacement cost – ranging from \$80.00 - \$100.00.

WMS PARENT ADVISORY COUNCIL INFORMATION

WMS ADVISORY SOCIETY

- TRACY DYKSLAG - CHAIR PERSON
- BARB WOLSTONCROFT- VICE CHAIR PERSON
- ANGIE PAXMAN- SECRETARY
- DAVE WAGENAAR - TREASURER

Wilson Middle School Parent Advisory Council occurs on the second Wednesday of each month. We invite all parents to come out and learn more about our school and how it functions. You will also learn about the school district as well as many special events that occur. Please refer to the school newsletter for specific dates and times of each meeting.

SCHOOL CASH ON LINE

For safety and efficiency reasons, we would like to eliminate the amount of cash & cheques coming into our school. Please register and enjoy the convenience of paying online. It takes less than five minutes to register. Go to <https://lethbridge.schoolcashionline.com> to get started.
