Lethbridge School Division Online Assessment

I am pleased to attach the Assessment Plan for Lethbridge School Division. This plan was put together following collaboration with school administrators at all levels. It is important for students to realize that the work they put in now with online learning, will help them accomplish their goals in the upcoming school year. The Microsoft Teams platform gives students the opportunity to continue reaching their curriculum outcomes, and this will be indicated on their report card.

Student Online Option Selection Process:

There is a lot of work that goes into preparing timetables and scheduling, so we can be sure to get students in their preferred choices they're sure to enjoy. Students will be responsible for logging into PowerSchool between **April 27th and May 8th** to indicate the options they are interested in being enrolled in for the upcoming school year. Please use the attached PowerPoint as a step by step guide to assist your child in selecting the electives they would like for the 2020-21 school year.

- Step 1 – Log in to PowerSchool through either a student or parent account
- Step 2 – Follow the PowerPoint attached
- Step 3 - If you have any questions please call your homeroom teacher, Ms. Halowski, Ms. Kaminski, or Mrs. Sereda at 403-329-3144 or via TEAMS
