Mindful Munchies

Mindful Munchies is a program that makes nutritional items available to people in need, and the foodbank would like the division to know they are open to assisting more families with lunches. The process is very simple, with verbal consent you can register a family on their behalf, or the family can contact the Mindful Munchies program directly to sign their children up on their own. Please remind families to indicate the number of children within the household at the time of registration. Mindful Munchies will deliver enough bagged lunches for each child in the home on a weekly basis.

To contact Mindful Munchies please refer to the above attachment or call **403-320-1879 ext.6**
