Dress Code Policy

“The Wilson Way” to Look Great!

Wilson staff believes that coming to middle school is where students begin to prepare for the working world. Part of that preparation is dressing appropriately for a job. Follow these guidelines to look your best at school:

- “Business casual” is encouraged.
- If your clothing is appropriate for working in a mall store, it will likely be great for school.
- If students continually fail to wear “business casual” clothing, appropriate actions will be taken by teachers and administrators.

"The Wilson Way" to use your Cell Phone Policy

Wilson staff knows that cell phones are a part of everyday life for many students. To ensure that they are used wisely, follow these guidelines:

- Be respectful with cell phones and iPods. Know when a good time and not a good time to use these services.
- Each teacher will discuss their cell phone and iPod policy for their classroom. Keep in mind that some classes will not be suitable for your electronic device.
- If students continually fail to use their cell phones or iPods respectfully, appropriate actions will be taken by teachers and administrators.
