

Wolverine Hockey

2021-2022 School Year

Dear Parents or Guardians,

My name is Tyler Keraiff and I run the after-school ice hockey program here at Wilson Middle School. I am excited to offer after school ice sessions for your son or daughter to participate in throughout the school year. The dates, ice times and locations can be found by visiting our school website (wms.lethsd.ab.ca) as well as attached to this letter. To participate, students are responsible for **arranging their own transportation to and from the rink as well as having full equipment (including a neck-guard)**. Full equipment is necessary, and students will not be allowed to play unless this condition is met. Even though this is fun event and completely non-contact hockey, there is always potential for injuries to occur. Masks must be worn until players are ready to take the ice.

Please sign and return the bottom of this letter to indicate that your child has permission to participate in our after-school hockey program and that WMS staff will not be held responsible should an accident occur. The bottom portion of this letter must be returned to Mr. Keraiff no later than November 3, 2021. If you have any questions or concerns, please contact me at the school: 403 329 3144.

I anticipate and excellent year of Wolverine Hockey,
Mr. Tyler Keraiff
